## **What is Biogetica Affiliate Program?**

Biogetica Affiliate Program was developed to help you earn an extra income by recommending Biogetica's product to your friends, family or to your viewers [if you have a website, blog or an email list].

You get 15% commission on all our products. Plus, if your friends refer others who then buy you will make 5% or 3% of the order value.

Not only can you join our team and help spread the word about your favorite products, you can get rewarded for your efforts. Our system tracks referrals and pays top dollar for every new client you send our way.

## **How does it work?**

It couldn't be simpler! We've streamlined our entire affiliate process to ensure ease of use, while still maintaining extremely accurate tracking methods. The process is as follows:

1. Once you sign up a biogetica homepage link is provided to track the visitors you refer. You can give this web address to your friends and family or send this to them via email.
2. The visitors IP is logged and a cookie is placed in their browser for tracking purposes.
3. The visitor browses our site, and may decide to order.
4. If the visitor orders (the order need not be placed during the same browser session--cookies and IPs are stored indefinitely), the order will be registered as a sale for you.
5. We will review and approve the sale after 120 days to accommodate our 120 day money back policy.
6. After 120 days, you will receive your commission payouts (if your balance is at least \$50) via PayPal.
7. If your direct referral refers someone else and they buy you will receive 5% commission. If they in turn refer someone else that buys, you will receive 3% commission and if they in turn refer someone else that buys, you will receive 2% commission.

**That's it! You send us business, we send you money!**
